TURNKEY FESTIVAL PRODUCTION + BOOKING AGENCY  
TOPTYR IS AN OTTAWA, ON - CANADA BASED PRODUCTION COMPANY  
THAT HAS BEEN INVOLVED IN MAKING SHOWS HAPPEN FOR OVER A DECADE.

TOPTYR is the culmination of blood, sweat, tears, and hours of raw emotion. We are about a certain way of life and we couldn't be more thrilled to be living it under our own banner. Co-founders Tyrone Taylor and Lana Pacheco have laid the foundation allowing TOPTYR to quietly establish itself as a heavy hitter in the Nation's Capital.

Whether you are looking for full festival production or management, our team can handle all aspects of an event. When it comes to festivals and special events, we have the ability to provide you with turnkey services. From the concept stages to fruition, logistics, sponsorships and programming. We have been involved in running a variety of events small and large with patrons ranging from 100 to 50,000.

We are strong thanks to the diverse backgrounds of our team. Unlike other production companies, we house several subject matter experts which allows us to not only deliver under duress but to also avoid costly outsourcing. We can provide direct input with regards to all aspects of a show from artist needs and on site management, to technical questions and administrative documentation such as permits and licenses.

If you are looking for talent, our roster of performers is quite deep. We have been fortunate enough to have worked with tons of artists. We can take your event from great to excellent - providing you with the catalyst to make your show distinctive and highly memorable.
